Tom,

We are prepared to meet with Honeywell at 10:30. We have procured a projector for your Power Point presentation, however, someone from your team will have to bring their own laptop computer.

See you tomorrow.

Dennis

Dennis:

I think with the Honeywell team's travel plans (planes, trains and cars), we could start the meeting as early as 10:30 AM, if that fits your team's schedule. Let me know. Also, could you arrange for a Power Point projector and compatible computer for the Honeywell team to use for a brief slide presentation? We'll bring the presentation on a thumb drive if that will work for you.

Thanks. See you next week.

Tom

Thanks. I will alert the Honeywell team and we will start making travel arrangements. If I recall correctly, we can fly from Richmond with an arrival time that should allow for an 11:00 AM start time, but I will confirm when we get the travel plans nailed down.
